Hi Sharon,

I hope you had a Happy Thanksgiving also. I was out last week and desperately trying to catch up. I will get back with you on this issue in the next day or two, I need to check in with my management and site attorney. Would you be sharing this with the Navajo Nation? Or just internal EPA? I generally do not share draft HRS packages with States or tribes-

☺ Brenda

Subject: San Mateo Creek Basin HRS Package

Hi Brenda,

Our Navajo team would like to review the draft HRS package for San Mateo Creek Basin. They are still questioning whether listing is the best path forward for this site and would like to understand the entirety of the listing package. Since this site impacts Navajo Nation and may involve Tronox settlement funds, Region 9 needs to be able to weigh in.

Hope you have a happy Thanksgiving.

Thanks,

Sharon
